SUB: POOR CONDITIONS OF THE ROADS IN ONGC COLONY.

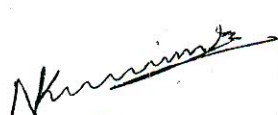

Sir,

Shri Sudhir Vasudeva, on his maiden visit to ONGC headquarters at Dehradun, upon his elevation to the post of C&MD, had visited the ONGC colony to review the living conditions there. He had lamented the poor state of maintenance in the colony and had instructed the officials responsible to improve the conditions through proper maintenance.

More than two years after his visit the state of roads in the colony still remains the same or has rather worsened; leave aside the state of living quarters. The condition is such that a major disaster happening in the form of accident. Inaction in maintenance for such a long time shows the apathy of the concerned officials towards the welfare of fellow employees. Such is the state of affairs even when there is no dearth of resources for undertaking the maintenance work. A visit to the colony will highlight ONGC not as 'a World Class Company' but as a 'Class-less Company'.

Sir, we solicit your kind interference in the above matter and hope that our esteemed C&MD's instructions for improved living conditions in the ONGC colony will be implemented earnestly.

Yours truly,

(Nishant Kumar)
Secretary – ASTO Dehradun
