SUB: POOR LIVING CONDITIONS IN ONGC COLONY.

Sir,

Time and again ASTO has been raising the issue of poor living conditions in ONGC Colony at Dehradun. Even our C&MD on his maiden visit to ONGC headquarters at Dehradun two years ago, upon his elevation to the post of C&MD, had lamented the poor conditions in ONGC Colony.

Two years since, the colony maintenance is still in shambles, be it the roads or the living quarters. ASTO is receiving complaints on a daily basis on the poor living conditions in the colony. Sir, the proposed re-development plans are the long term solutions to the problem, it is high time that we undertake a time-bound renovation of the colony quarters to make them worthwhile for living. We suggest that the following minimum renovations be carried out for the quarters, over the next six months period:

1. Vitrified tiles on the floors of each flats.
2. Conversion from Indian to English toilets
3. Granite flooring of kitchen tops.
4. 20 B type and 10 A type quarters for bachelor accommodation be identified beforehand and renovated and fully furnished (as per norms) before the next incoming transfers.
5. Vacant space in front of block A-18 to be utilized for shaded car parking.
6. Two or three cemented badminton courts inside the ONGC colony with proper lightning facilities.

We also suggest that the roles, responsibilities and accountability for carrying out the above works be fixed beforehand and execution be strictly time-bound. Sir, the renovation of colony quarters has been a long pending demand of ASTO and we now solicit your kind interference in this matter.

Yours truly,

(NISHANT KUMAR)
Secretary – ASTO Dehradun
