Sub: Requirement of Ramps in ONGC buildings for Persons with Disability.

Sir,

I, on behalf of ASTO, Dehradun Unit, congratulate you for your focused efforts towards ONGC's growth outlined in the Perspective Plan 2030. It may be mentioned, that while charting aggressive growth plans, we also need to be considerate towards the needs of our own less advantaged colleagues.

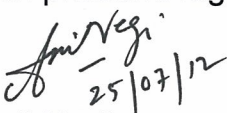

We are a Fortune 500 Company and the best employer in the nation, yet not providing a barrier free environment at work to Persons with Disability (PWD). It is because none of our premier buildings such as B.S NEGI BHAWAN, KDMIPE, AMN GHOSH AUDITORIUM, ONGC ACADEMY, etc., are having any ramps / facilities for PWDs to climb up.

There are many such colleagues working at Dehradun in various offices and have to face this difficulty in reaching their workplace every day.

Sir, as per the **PWD ACT, 1995 THE PERSONS WITH DISABILITIES**, every public place, government buildings should be accessible to PWDs. We are still lacking in this area.

Sir, we humbly request you, being the head of the ONGC family, to kindly take personal interest in this matter and instruct the concerned department for a prompt action in this regard. This initiative would go a long way in the direction of providing equal facilities to all employees. Moreover, our Honourable Minister of Petroleum and Natural Gas would also appreciate adding such facilities in ONGC buildings.

With profound regards,

(Anil Negi)
